Española de Parasitología**

Encuentro Internacional de Parasitólogos
de España, Francia, Italia y Portugal
Gran Canaria 17 - 20 de Septiembre de 2013

Dear colleagues from France, Italy and Portugal,

On behalf of the "Spanish Society of Parasitology", we are hosting the **XVIII SOCEPA Congress**, in Las Palmas de Gran Canaria (Canary Island), from September the 17th to the 20th, 2013.

It is our pleasure to inform you that, for the first time, the "Société Française de Parasitologie" (SFP), the "Società Italiana di Parassitologia" (SoIPa) and the "Sociedade Portuguesa de Parasitologia" (SPP) are taking part in this event. Because of that, the SOCEPA is hosting the "International Meeting of Parasitologist from France, Italy, Portugal and Spain".

Though the challenge this event represents, we are going to be delighted to meet you in September.

We encourage you to visit the XVIII SOCEPA Congress website:

We hope to see you soon!

Sincerely,
